Thompson Ramo Wooldridge Inc.  
Los Angeles, California

Reference: Contract No. HF-A-104

Dear Jack:

We have been advised by the FOG using organization that the following requirements for contractor technical services will support FY-1960 operations (1 July 1959 through 30 June 1960) under reference contract unless additional equipments are introduced or mission changed:

Three (3) field engineers, including one (1) Supervisor, and Eight (8) technicians will be required.

This does not include the temporary requirements of IPC(FEAF) during FY-1960 or the present requirements of IPC(USAFE), approved by our letter DPD-0825-59 dated 4 February 1959, should they be extended into FY-1960.

It is requested that you submit a proposal, based on the requirements listed above, for the period 1 July 1959 through 30 June 1960.

Very truly yours,

SIGNED
